

THE MEDICAL CENTER ALLIANCE (MCA)

Who we are.

- Represent seven (7) of the largest landowners/employers at South Texas Medical Center (STMC)
- Established as a not-for-profit organization in 1998 with the first construction project started in 2003
- Committed to making it easier for patients and employees to access and move around within the STMC, while at the same time encouraging its economic growth
 - 27,386 medical facility employees
 - 29,000 employees at associated businesses such as restaurants and retail establishments
 - Salaries 20% higher than San Antonio average
 - 5.38 million patient visits per year
 - 300,000 vehicles a day

What we've done.

- Initiated and underwrote the cost for STMC infrastructure improvement master plan. Full implementation of the plan represents a total investment of approximately \$75 million.
- Partnered with the City of San Antonio (COSA) for master plan implementation.
- Secured approximately \$30 million in 2007 city bond election for STMC transportation improvements.
- Completed thirteen (13) major intersection construction projects.
- Designed and installed STMC-branded street sign banners throughout the STMC.
- Created and maintain southtexasmedicalcenter.com – a clearinghouse for information about the STMC and a jumping off point for other STMC-affiliated websites.
- Established a web page to monitor all major construction projects at STMC. This information source enables all stakeholders to avoid traffic and congestion associated with construction projects.
- Developed, distributed and updated a map of all STMC facilities. Over 20,000 copies have been printed.

Where we're going.

- Planning to complete two (2) additional intersection improvements by 2015. Presently working with COSA to have other projects funded by the 2012 bond election.
- Working with VIA to implement a bus rapid transit corridor linking the STMC with downtown San Antonio.
